Additional details about this position:

SECTION III

Essential functions are the fundamental job duties:

- meaning the position exists to perform the function;
- there is a limited number of employees among whom the performance of the function can be distributed;
- and/or the incumbent is hired for expertise or ability to perform the function due to its high specialization.

The Americans With Disabilities Act of 1990 (ADA) and associated Federal regulations protect qualified individuals with disabilities from discrimination in all areas of employment. To be considered qualified; an individual must be able to perform the essential functions of a position, with or without reasonable accommodation. It is important that the physical tasks associated with the essential functions be identified appropriately so that persons with disabilities can determine if any accommodation is necessary.

Please list the **Essential Functions** (primary job responsibilities) of the position. The Essential Functions are the duties that are fundamental and critical to the position and can only be carried out by the member.

-
