

## AmeriCorps Member Service Description for 2025 – 26 Program Year

Please complete one form per each AmeriCorps position your agency is requesting to host and ensure that ALL sections are filled.

AmeriCorps Member Name:

(Leave blank – to be filled by ACCESS staff only)

**Organization Mission and Work:** The mission of the **Center for New North Carolinians (CNNC)** at the University of North Carolina at Greensboro, home of the AmeriCorps ACCESS Project, is to promote access and integration for immigrants and refugees in North Carolina by bridging newcomer populations with existing communities through direct service provision, research, and training. This is achieved through community-based programs, such as the AmeriCorps ACCESS Project, which partners with organizations to host AmeriCorps members who assist immigrant and refugee families in integration by connecting them with resources, offering academic support, and facilitating job opportunities to achieve self-sufficiency. CNNC also promotes cultural understanding through community education and advocacy.

**Member Impact:** AmeriCorps ACCESS members make a profound impact by empowering immigrant and refugee families to build successful lives in their new communities. They connect individuals to critical resources, such as employment assistance, education, and healthcare, while fostering a sense of belonging and self-sufficiency. Through their service, members help bridge cultural divides, support community integration, and create opportunities for individuals to thrive. Their dedication not only transforms lives but also uplifts the fabric of multicultural communities.

### SECTION I

Agency Service Site Name:	CNNC Immigrant Health Access Project	County Located in:	Guilford
AmeriCorps Position Title:	Community Health Integration Liaison	Service Term:	9/9/2025 – 08/31/2026
<b>Provide a summary of this AmeriCorps position and its impact on the community.</b>			
This Community Health Integration Liaison AmeriCorps position educates immigrant and refugee communities on health literacy and helps them navigate the American healthcare system. This position supports the integration of these populations into the healthcare system by providing culturally appropriate health education and direct assistance. Responsibilities include guiding participants through health literacy curricula, assessing healthcare eligibility, conducting home visits, and connecting clients with medical and community resources. The position helps reduce barriers to care and empowers immigrants and refugees to make informed decisions about their health.

**Additional details about this position:**

- Schedule is flexible except for mandatory trainings and meetings that generally occur weekly at a consistent time
- Must be comfortable conducting home visits with clients

**SECTION III**

**Essential functions** are the fundamental job duties:

- meaning the position exists to perform the function;
- there is a limited number of employees among whom the performance of the function can be distributed;
- and/or the incumbent is hired for expertise or ability to perform the function due to its high specialization.

The Americans With Disabilities Act of 1990 (ADA) and associated Federal regulations protect qualified individuals with disabilities from discrimination in all areas of employment. To be considered qualified; an individual must be able to perform the essential functions of a position, with or without reasonable accommodation. It is important that the physical tasks associated with the essential functions be identified appropriately so that persons with disabilities can determine if any accommodation is necessary.

**Please list the Essential Functions of the position. These duties are fundamental and critical to the position that must be performed by the member with or without reasonable accommodations.**

- Leading clients through Culturally appropriate health literacy curriculum
- Assessing participants for healthcare eligibility and assisting with access to eligible healthcare
- Conducting home-visits with clients to assist with healthcare access
- Completing relevant referrals to partner organizations and primary care physicians
- Assessing client needs and provide relevant referrals to community agencies, medical providers, health and human services, and food assistance programs
- Promptly report, descriptive client information and case notes in the case management system to document services provided to clients

**Please list the position's Marginal Functions (secondary tasks).**

- Accompanying clients to doctors' appointments and/or interpreting for these visits
- Providing occasional client transportation
- Attending IHAP program community health trainings and/or CNNC professional development trainings/networking events
- Attending bi-weekly IHAP program meetings at the CNNC office
- Attending and representing agency at events and resource fairs for community outreach

**Consecutive term AmeriCorps ACCESS members are required to take a leadership role and complete at least TWO of the following service activities in consultation with the ACCESS program director for each program year.**

- **Building Cultural Awareness and Supportive Services for Immigrant and Refugee Communities:** Create a PowerPoint presentation focusing on two immigrant or refugee groups, highlighting their cultural backgrounds, traditions, and unique needs. Present this during an AmeriCorps Team training session to foster cultural awareness, promote culturally appropriate service practices, and foster a welcoming service environment for everyone. Include engaging visuals, real-life examples, and practical strategies for delivering respectful and effective support to these communities.
- **Impact Storytelling Leader:** Gather personal stories and experiences from team members, collaborating with ACCESS staff to highlight the impact of their service. Share these narratives through various platforms, including social media, newsletters, and presentations, to inspire others and showcase the meaningful contributions of the AmeriCorps ACCESS members.
- **Orientation Supporter:** Assist with the orientation for new members by sharing your experiences and insights on best practices for maintaining program documentation, accurately reporting timesheets, and offering valuable advice on the Dos and Don'ts of being a first-term member.

- **Team Recognition and Celebration Leader:** Collaborate with ACCESS staff to acknowledge and celebrate team members' personal and professional achievements (e.g., birthdays and anniversaries) via creative social media posts or newsletters to strengthen morale, cohesion, and appreciation amongst team members.
- **Service Day Coordinator:** Collaborate with ACCESS staff to coordinate and lead one impactful service projects, such as events for MLK Day of Service, National Volunteer Week, or AmeriCorps Recognition Week. These projects should engage volunteers, address community needs, and highlight the values of service and civic engagement while showcasing the impact of AmeriCorps.
- **Wellness Support Leader:** Drawing on your previous service experience, design and lead a comprehensive training focused on promoting wellness and stress management. The session should offer practical tools and strategies for effectively managing stress and supporting mental and physical well-being to help enhance overall performance and morale throughout the service term.

The ACCESS Project and partner agency comply with the Equal Employment Opportunity Commission and American Disabilities Act. Reasonable accommodations can be made for interviews and service.
